SCOPE: This Software License ("Agreement") is a legal agreement between you (either an individual or an entity ("Licensee")) and dBase, LLC., with offices at 31 Front St., Binghamton, NY 13905, including its affiliates ("Licensor"). By downloading or unsealing Licensor's software and/or documentation ("Products"), Licensee is agreeing to be bound by the terms of this Agreement. In the event of a conflict between the terms of this Agreement and any ordering document, the terms of this Agreement will govern and control.

DEFINITIONS:

- "Named User" means the individual designated by Customer as the sole user of the licenses granted herein.
- "Software" means the Company's computer software programs, applications, and/or files that Customer downloads or unseals.

EVALUATION LICENSE. Licensor is the owner and provider of certain proprietary software and documentation that Licensee desires to have tested and evaluated on the terms and conditions of this ("Software"). For a term not to exceed thirty (30) days ("Evaluation Period") without Licensor's written authorization, the Software will be provided solely for evaluation purposes for Licensee's own internal use ("Evaluation") and Licensee is hereby granted a nontransferable, nonexclusive, limited license to operate and use the Software for such Evaluation. The Evaluation Period begins on the date Licensee installs the Software. At the end of the Evaluation Period, Licensee shall cease using and shall return the Software to Licensor on all types of media and computer memory and whether or not merged into other materials. Licensee agrees not to cause or permit the reverse engineering, disassembly, modification, translation, or decompilation of the Software. Licensee shall not copy the Software, or write or develop any derivative software. Licensee shall not release the results of any Evaluation testing or other performance results of the Software conducted under this Evaluation to any third party without Licensor's prior written consent for each such release.

LICENSES: This software is protected by copyright law and copyright treaties worldwide. Those who legally acquired (Licensee) may designate one person in Licensee's organization ("Named User") the right to install the Product on one or more computers and use the Product, provided that only the Named User uses the Product on only one of the installed computers at a time. As a Copyrighted work, you may transfer it to a computer for purposes of use or to other media for purposes of backup. Except where prohibited by applicable law, transfer of the Product into a company (not identified on the ordering documentation at the time of purchase) is prohibited and will void the license.
